# Results You Can't Get Anywhere Else

You hear so much hype in the world today about guarantees and assurances. Tons of companies out there are making a lot of promises. So many oversell, mislead, and underdeliver. We're not here to promise the impossible, but here is what we are committed to:

We are committed to showing you a path to purpose by empowerment. Our mission is to empower people (like you) in their lives through physical and financial transformations. Whether you want to lose weight, build muscle, worry less about money, or just feel more alive and younger again, Isagenix is here to support you.

We produce products that are wholesome and pure and follow our no-compromise quality process, so you can be sure you're getting the highest quality you'll ever experience. Our process requires that each product is scientifically developed and tested to meet our high standards.

We provide our Members with the opportunity to build a legacy and lifestyle, not a quick fix. Thousands of people see lasting results they can maintain for a lifetime using Isagenix, our programs, and support.

We share a community that will stand behind your success, cheering relentlessly as you cross the finish line and beyond. From your very first product experience to every milestone endeavor that comes after, we consider you part of the Isagenix family.

We offer Results You Can't Get Anywhere Else™, but what does that mean exactly? Thousands of people across the world have shed millions of collective pounds, reclaimed healthier lifestyles, and built prosperous financial futures for their families with the help of the Isagenix System. Maybe you want to share every one of these goals or are seeking something entirely different. Well, whatever it is that you're looking for — we're here to say, "Welcome to Isagenix. We're so glad you found us."

Whether you're ready to start today or are checking us out for the first time, we're just thrilled you're here. We take pride in our success, but it's your success that drives us. That's why we created a brand that is all about you.

**Wishing you health  
and happiness,  
Jim, Kathy, and Erik Coover**

\*Results not typical. Weight loss, muscle gain, lifestyle, and other results depicted in this publication reflect exceptional experiences of Isagenix Customers and should not be construed as typical or average. Results vary with individual effort, body composition, eating patterns, time, and other factors, such as genetic and physiological makeup. In a study performed in 2012 by University of Illinois at Chicago researchers, subjects lost an average of 9 pounds after 30 days on an Isagenix System. The subjects also had a greater level of adherence and had more consistent weight loss from week to week compared to subjects on a traditional diet.

Pricing, business volume (BV), and packaging components in our systems and packs are subject to change. Please check your Back Office for the most current information.

BV is a point value assigned to each Isagenix product that is used to calculate Associate commissions.

**We are updating our brand design; therefore, the imagery depicted here may differ in label design from actual product delivered. However, you can be assured that the ingredients and formulas of the products are consistent with our no-compromise standards.**

# Cleanse for Life

Cleanse. Nourish. Revitalize.

## WHAT IS CLEANSE FOR LIFE?

Cleanse for Life<sup>®</sup> nourishes your body with plant botanicals that support your own detoxification systems. Cleanse for Life is a fundamental component during Cleanse Days<sup>3</sup> to support weight loss efforts when used as part of an Isagenix System.<sup>†</sup>

## WHY DO I NEED CLEANSE FOR LIFE?

Our bodies are exposed to toxins in our environment every day. Your body needs nourishment on a daily basis, especially on Cleanse Days, to help battle the effects of toxins. Nutritional cleansing is an important strategy for providing nourishment to your body's natural detoxification systems.<sup>†</sup>

## HOW DOES IT WORK?

When used as part of an Isagenix System, Cleanse for Life supports:

- Detoxification systems<sup>†</sup>
- Metabolism, weight loss, and maintenance<sup>†</sup>

Available in powder or liquid in Natural Rich Berry.

<sup>3</sup>To learn more about Cleanse Days, visit [IsaProduct.com](http://IsaProduct.com).

## Cleanse Support Bundle

- WHAT** Isagenix Snacks™, IsaFlush®, and Natural Accelerator™ are designed to keep Cleanse Days successful and enjoyable.
- WHY** These products are formulated to help you during Cleanse Days so you can reach your weight loss goals.
- HOW** Each product helps you get the nutrients you need while supporting metabolism and encouraging regularity.†
- Includes: **1** Isagenix Snacks (any flavor), **1** Natural Accelerator, **1** IsaFlush

## Isagenix Snacks

- WHAT** Isagenix Snacks are bite-sized, chewable wafers to satisfy cravings and support Cleanse Days.
- WHY** Cleanse Days give the body a break from digestion. Isagenix Snacks provide nutrients in calorie-controlled wafers so you can satisfy cravings with little effect on the digestion process.
- HOW** Isagenix Snacks contain undenatured whey protein (or plant-based protein for dairy-free Isagenix Snacks), and energy-fueling carbohydrates to naturally support better Cleanse Days.

NATURAL CHOCOLATE

FRENCH VANILLA

PLANT-BASED NATURAL WILD BERRY

## Natural Accelerator

- WHAT** Natural Accelerator is a safe and natural metabolism-boosting supplement to help burn fat.†
- WHY** A better metabolism helps your body burn fat safely and efficiently, resulting in more effective weight loss.
- HOW** Natural Accelerator supports better metabolism without the use of harmful stimulants.† Ingredients such as cayenne, green tea, and cocoa seed support metabolism without the jitters.

## IsaFlush

- WHAT** IsaFlush is a natural herbal supplement to encourage digestive regularity.†
- WHY** A balanced digestive system can improve the body's ability to eliminate waste.
- HOW** Magnesium and gentle cleansing herbs promote balanced digestive regularity and intestinal comfort, without the use of harsh laxatives or stimulants.†

THAI SWEET CHILI

## Slim Cakes

**WHAT** Slim Cakes® are a healthy snack to satisfy cravings and your sweet tooth at 100 calories per serving.

**WHY** We all want a snack sometimes but don't want the guilt. Slim Cakes contain 100 calories per serving and are bursting with berry, oats, and white chocolate flavors.

**HOW** Slim Cakes are filled with fiber from whole oats, inulin, and flaxseed, sweetness from natural agave, and pleasant tartness from blueberries and cranberries. Every soft, chewy bite contains wholesome ingredients that make it a healthy treat.

*Diets low in saturated fat and cholesterol may reduce the risk of heart disease.*

## Fiber Snacks

**WHAT** Fiber Snacks™ are scrumptious, gluten-free snack bars with 6 grams of quality fiber and protein to help satisfy cravings.

**WHY** Daily intake of fiber and protein are essential for great health. Fiber Snacks offer a delightful, convenient way to get more quality fiber and protein into your daily diet.

**HOW** Every Fiber Snacks bar contains both soluble and insoluble fiber, which helps aid digestion while contributing to satiety. One serving of Fiber Snacks contains 6 grams of fiber plus 6-7 grams of whey protein to help satisfy cravings.

### 5-PIECE SAMPLE PACK:

Indulge in a small taste of the Isagenix lifestyle with five of our favorite products.

Contents may change depending on availability and season.

# The Power of Protein

See what high-quality Isagenix protein can do for you.

## WEIGHT LOSS

Satisfy appetite and support metabolism.

Bust through weight loss plateaus and lose stubborn fat.

## ATHLETIC PERFORMANCE

Add quality nutrition to build muscle mass and strength.

Fuel your body to support muscle repair during the important post-workout window.

## HEALTHY AGING

Help maintain muscle and help offset age-related muscle loss.

Satisfy increased nutrition and protein needs that come with age.

**Why Whey?** Whey is a premium protein for muscle growth and fat burning. Research also shows that whey protein supports the maintenance of lean muscle mass, which supports long-term weight maintenance. The whey protein in IsaLean® Shake, IsaLean PRO, and IsaPro® is pure, undenatured, and of the highest quality.

**Drink More Plants:** Isagenix plant-based shakes use whole-grain brown rice and pea protein. The amino acid profile is similar to that of whey or egg protein and is great for anyone with potential dairy allergies or intestinal issues or if you just love following a plant-based diet.

# IsaLean PRO Shake

## WHAT IS ISALEAN PRO SHAKE?

IsaLean® PRO Shake is a complete, low-glycemic meal replacement shake with 36 grams of high-quality protein. It is great for individuals who are looking for increased muscle growth support or who want to bust through weight loss plateaus!

## WHY DO I NEED ISALEAN PRO SHAKE?

**Performance:** Athletes need more protein for muscle gains and repair, especially within 30 minutes post-workout when muscles crave nutrients to refuel. Use IsaLean PRO Shake as a convenient, high-protein meal following a workout. It can also be used to add quality calories and nutrition to build muscle mass.

**Weight Loss:** Whey protein fuels weight loss by helping to satisfy appetite and support metabolism. Use IsaLean PRO Shake to bust through weight loss plateaus or for maximum muscle-building support.

**Healthy Aging:** Sufficient protein intake is one of the most important factors in preventing age-related muscle loss and maintaining muscle. Use IsaLean PRO Shake as a convenient, calorie-controlled option for meeting increased protein needs with age.

## HOW DOES IT WORK?

IsaLean PRO Shake contains a premium protein blend with a superior branched-chain amino acid profile to support muscle growth and maintenance while helping speed post-workout recovery.

- 50 percent more protein than IsaLean Shake
- 36 grams undenatured whey and milk protein
- Low-glycemic with energy-fueling carbohydrates, good fats, and filling fiber
- Active enzymes to help ease digestion

## WHAT IS AMPED NITRO?

AMPED™ Nitro is the latest in science-based nutrition for your pre-workout regimen, providing athletes with energy, strength, and focus for optimal training. Active ingredients like Nitrosigine®, creatine, naturally sourced caffeine, beta-alanine, and betaine are used at levels clinically demonstrated to support your body and mind to train at a greater intensity for a longer period. With no artificial colors, flavors, or sweeteners, and Informed-Sport certification, AMPED Nitro is a safe, clean, and scientifically formulated option to help maximize your workout.†

## WHY DO I NEED AMPED NITRO?

There are so many reasons strength training should be incorporated into your workout routine – increased strength, lean muscle, reduced body fat, improved bone density, and the list goes on! So, what are you waiting for? Add Nitro to your routine to maximize your results.†

## HOW DOES IT WORK?

Nitrosigine has been shown through clinical research to increase blood flow, improve cognitive function, take effect quickly, and last for several hours. This important ingredient helps reduce fatigue, exercise-related muscle damage, oxidative stress, and down time after strenuous workouts.†

- Increase strength and power†
- Increase lean muscle gain†
- Boost energy†
- Train harder for longer†

Nitrosigine is a registered trademark of Nutrition 21, LLC and is patent protected.

†These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

## AMPED NOx

- WHAT** AMPED™ NOx is a pre-workout shot that supports nitric oxide production for healthy blood flow and oxygen delivery to cells so your muscles can function efficiently.†
- WHY** Nitric oxide production is a key component for more efficient training and exercise.†
- HOW** A special blend of fruit and vegetable extracts, including beets, celery, and red spinach, help boost performance, increase power output, optimize muscle efficiency, and reduce fatigue.†

## AMPED Power

- WHAT** AMPED Power is a pre-workout supplement designed to prepare your body for better strength and power before exercise.†
- WHY** Your muscles need energy and oxygen to push the limits of your workouts, and AMPED Power can help that extra effort in training add up to incredible results.
- HOW** Creatine in AMPED Power helps increase performance, power, and strength while Nitrosigine® and citrulline help deliver nutrients and oxygen to working muscles to maximize training.†

Nitrosigine is a registered trademark of Nutrition 21, LLC and is patent protected.

## AMPED Recover

- WHAT** AMPED™ Recover is a post-workout supplement with branched-chain amino acids to support muscle rebuilding and recovery.†
- WHY** Recovery is an essential process to rebuilding strength and endurance for your next workout. AMPED Recover supports this process so you can bounce back after an intense workout and get ready to conquer the next.†
- HOW** AMPED Recover features a proprietary blend of branched-chain amino acids and L-carnitine to support muscle rebuilding and recovery.† Take with IsaPro® or IsaLean® PRO Shake for best results.

## AMPED Hydrate

**WHAT** AMPED™ Hydrate is the perfect sports drink to stay hydrated and refreshed during your workout.

**WHY** Your body loses electrolytes during exercise, particularly sodium. Certain vitamin needs can also be increased for people who work out regularly. It's difficult to maintain a peak level of performance without supplying the body with these elements.

**HOW** AMPED Hydrate helps you rehydrate while delivering vitamins, electrolytes, and carbohydrates to replace nutrients and re-energize the body for performance.

LEMON LIME

JUICY ORANGE

REFRESHING GRAPE

## AMPED Protein Bar

**WHAT** AMPED Protein Bar is an excellent and convenient source of great-tasting, high-quality protein to help optimize performance and recovery.

**WHY** Performance training impacts your body as it involves great amounts of physical activity at various levels of exertion. Our bodies need fuel for performance and muscle recovery.

**HOW** Contains high-quality protein with an excellent amino acid profile, which helps support lean muscle building and repair – with no artificial colors, flavors, or sweeteners.

- 28 grams of a whey-based protein blend
- Exceptional taste
- Gluten-free and soy-free

# IsaBiome Daily Digestive Health System

A Breakthrough in Better Digestive Health

## WHAT IS ISABIOME?

IsaBiome™ is a breakthrough line of uniquely formulated supplements that consists of probiotics and enzymes to support your microbiome and better digestive health.

## WHY DO I NEED ISABIOME?

There's a well-established link between your digestive health and overall wellness. Poor diet, increasing age, stress, and inadequate physical activity are all causes of digestive system problems, which consist of bloating, regularity issues, and general discomfort. Scientific studies have found that better digestive health can lead to better overall health and quality of life, and IsaBiome is designed to help support a healthier microbiome and digestive system personalized to your specific conventional or vegetarian diet.

## HOW DOES IT WORK?

IsaBiome uses a two-step solution to deliver better digestive health. Our vegetarian- and conventional- diet digestive-enzyme formulas include blends of 13 or 15 enzymes, respectively, offering an immediate impact to help ease occasional bloating, support gut comfort, and optimize nutrient absorption.

Our vegetarian- and conventional-diet probiotics feature 25 billion CFUs (colony forming units, a measure of the amount of probiotics) of 10 or 11 clinically tested strains of friendly bacteria, respectively, to support a balanced digestive system, a healthier gut microbiome, and immune health.†

## WHY IS THE MICROBIOME SO IMPORTANT?

Your intestines are filled with trillions of microorganisms (bacteria) that make up your microbiome. Scientific studies over the years have shown how important gut bacteria is to supporting normal immune and intestinal function, as well as your overall health. **We rely on the good bacteria, like the probiotics found in IsaBiome, to crowd out harmful bacteria and help regulate digestion, metabolism, mood, and even our weight.** Think of your microbiome as a jungle and IsaBiome as the biology to help it flourish.

# IsaPro

**WHAT** IsaPro® is a high-quality, undenatured whey protein concentrate with 18 grams of protein in every serving.

**WHY** Extra protein is essential for anyone starting a weight loss or workout program, breaking through a weight loss plateau, or dealing with age-related muscle loss. When you need more protein, IsaPro is the perfect addition to any meal.

**HOW** Whey is the most effective protein for building and maintaining lean muscle and burning fat. IsaPro delivers 18 grams of high-quality, undenatured protein and a complete branched-chain amino acid profile.

## Immune Shake Booster

**WHAT** Immune Shake Booster is a blend of science-supported ingredients that can help prime, strengthen, and balance the immune system for better overall health.†

**WHY** This product is designed to support overall healthy immune function as an everyday nutritional supplement. It's important to talk to your doctor before making any significant changes to your diet or lifestyle, especially if you have a medical condition or take prescription medications.

**HOW** Immune Shake Booster uses scientifically backed immune-health-supporting compounds like Wellmune® beta glucan, reishi, poria, and maitake mushrooms to help prime, strengthen, and balance the immune system for better overall health.†

## Heart Shake Booster

**WHAT** Heart Shake Booster is a blend of science-supported ingredients that may reduce the risk of heart disease.††

**WHY** Any adult who is concerned about blood cholesterol levels may benefit from Heart Shake Booster to help achieve and maintain healthy blood cholesterol levels and to complement the benefits of heart-healthy diet and lifestyle choices.††

Pregnant and breastfeeding women should consult with their doctor before using Heart Shake Booster.

**HOW** Heart Shake Booster is made from a combination of plant sterols that can help reduce the absorption of dietary cholesterol. It also includes pantethine, a derivative of vitamin B5, and other ingredients inspired by a heart-healthy Mediterranean diet.††

\*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.  
 ††Foods and supplements containing at least 0.65 g per serving of plant sterol esters, eaten twice a day with meals for a daily total intake of at least 1.3 g, as part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease. A serving of Heart Shake Booster supplies 0.65 grams of plant sterol esters.

## Ionix Supreme

**WHAT** Ionix® Supreme is a daily, proprietary botanical concentrate designed to combat the negative effects of stress.†

**WHY** All types of stress, whether environmental, emotional, or physical, can take a toll on the body and affect health, both short and long term.

**HOW** Ionix Supreme combines adaptogens, antioxidants, and nutrients to help strengthen the body's ability to fight the effects of stress.†

- Helps balance and normalize the body's systems†
- Energizes cells†
- Combats stress, focuses your mind, and elevates daily performance†

## Isagenix Coffee

**WHAT** Isagenix Coffee is a fairly traded blend of 100 percent arabica coffee beans grown at high altitudes. Our beans are selected by a licensed coffee grader, slow roasted in small batches, and expertly blended by a certified roast master.

**WHY** Start your morning, and improve your day. Our cool grind technology ensures you a flavorful, fresh, great-tasting quality cup of coffee.

- HOW**
- Combined with green tea extract, trace minerals, and coconut oil – this special blend lowers the natural acidity of coffee, delivering a hint of nutty flavor with a pleasant, smooth finish
  - Coffee beans picked at their peak for the deepest, boldest flavor, never touched by human hands during the roasting process
  - Mycotoxin (aflatoxin and ochratoxin) tested

Available in **Premium** and USDA-Certified **Organic** blends.

## Isagenix Fruits

- WHAT** Isagenix Fruits is a delicious, phytonutrient drink powder to supplement your intake of daily fruit nutrients.
- WHY** Very few people consume the recommended daily amount of whole fruits essential for optimal health.†
- HOW** Fruits contains phytonutrients from over 30 premium fruits and vegetables to support overall health.† Each serving of Fruits is 25 calories with 1 gram of sugar and tastes great when added to your IsaLean® Shake or mixed with water.

## Isagenix Greens

- WHAT** Isagenix Greens™ is a delicious, phytonutrient drink powder made from a proprietary blend of more than 30 premium vegetables, herbs, and botanicals.
- WHY** Most people do not consume the recommended daily amount of colorful fruits and vegetables. Isagenix Greens is a quick, easy, and delicious way to get more nutrition and complement a healthy diet of whole fruits and vegetables.
- HOW** Greens contains more than 30 natural ingredients from vegetables, herbs, and other botanicals to provide a broad variety of phytonutrients and antioxidants to support overall health and well-being.† Each serving of Greens is 30 calories with 1 gram of sugar and tastes great when added to your IsaLean Shake or mixed with water.

# Complete Essentials With IsaGenesis

A Foundational Product for Longevity

## WHAT IS COMPLETE ESSENTIALS WITH ISAGENESIS?

Complete Essentials™ With IsaGenesis® is a foundational product for your best health and longevity. IsaGenesis adds greater cellular and telomere support plus a full spectrum of vitamins, minerals, omega-3s, and antioxidants for superior healthy aging and whole-body nutritional support.†

## WHY DO I NEED COMPLETE ESSENTIALS WITH ISAGENESIS?

It's difficult to get the vitamins and nutrients you need from food alone, and it gets increasingly difficult as you age. Complete Essentials With IsaGenesis delivers optimal levels of nutrients for superior whole-body nutritional support at every age.†

## HOW DOES IT WORK?

Complete Essentials With IsaGenesis is scientifically formulated to deliver the daily nutrients men and women need for overall health, and is separated into two packs – A.M. and P.M. – for effective dosing.†

## Brain Boost & Renewal

- WHAT** Brain Boost & Renewal™ is a scientifically tested supplement that supports cognitive function, including mental clarity and memory.†
- WHY** Healthy brain function and better mental clarity can make daily life more productive and enjoyable.†
- HOW** Brain Boost & Renewal uses targeted ingredients to enhance brain health. Ginkgo biloba and green tea are combined with curcumin and a black pepper component that improves the bioavailability of the beneficial compounds. It is scientifically formulated to promote mental focus, concentration, decision making, and memory.†

## Sleep Support & Renewal

- WHAT** Sleep Support & Renewal™ is a natural melatonin and nutrient complex spray that helps you achieve a more restful, complete night's sleep.†
- WHY** Sleep improves quality of life. Better sleep supports mental clarity, cardiovascular health, immune function, and healthy aging.†
- HOW** Sleep Support & Renewal delivers a natural, nonhabit-forming option for improved sleep. Fast-absorbed, sustained-released melatonin is combined with a proprietary nutrient complex including L-theanine, valerian, and chamomile into an all-in-one, spearmint-flavored spray to promote a sound, more beneficial night's rest.†

## Isagenix Joint Support

- WHAT** Isagenix Joint Support™ is a nutritional supplement to support joint and cartilage comfort.†
- WHY** More comfortable joints lead to a better quality of life. Isagenix Joint Support is formulated to support overall joint health so you can stay limber, active, and comfortable.†
- HOW** The potent formula in Joint Support features glucosamine, MSM, and chondroitin, combined with select herbal extracts to support cartilage health, a key factor in joint comfort and mobility.†

## Isagenix Pain Relief Cream

- WHAT** Isagenix Pain Relief™ Cream is a soothing topical cream to provide immediate, temporary relief from pain.
- WHY** Arthritis, backaches, muscle strains, and sprains cause discomfort in the muscles and can hinder both performance and daily activities.
- HOW** Potent active ingredients like menthol and methyl salicylate in Isagenix Pain Relief Cream provide a cooling sensation followed by a deep heat to help relax sore, tense muscles.

†These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

## C-Lyte

- WHAT** C-Lyte® is a combination of vitamin C plus citrus bioflavonoids to support heart, bone, and immune system health.†
- WHY** Vitamin C is essential for the growth and maintenance of all body tissues.†
- HOW** C-Lyte contains three forms of vitamin C plus citrus bioflavonoids for added antioxidant power. Delivers vitamin C equivalent to five cups of orange juice.

## Essentials for Men

- WHAT** Essentials for Men™ is a premium multivitamin for complete men's health.†
- WHY** Essential vitamins and nutrients needed to promote men's health aren't always readily available in food, and many people don't consume nutrient-rich meals on a regular basis.
- HOW** Essentials for Men contains premium B vitamins that support stamina, energy, endurance, and mental concentration.†

## IsaKids Essentials

- WHAT** IsaKids® Essentials is a premium, chewable multivitamin formulated for children's health.†
- WHY** Proper nutrition for children can be challenging, as kids can be picky about what they like to eat. Supplementation makes it easier to get kids the nutrients they need every day.
- HOW** IsaKids Essentials contains 100 percent of the recommended daily amount of 15 vitamins and minerals that are essential for the healthy development of growing bodies.†

## Essentials for Women

- WHAT** Essentials for Women™ is a premium multivitamin for complete women's health.†
- WHY** Essential vitamins and nutrients needed to promote women's health aren't always readily available in food, and many people don't consume nutrient-rich meals on a regular basis.
- HOW** Calcium and B vitamins found in Essentials for Women are critical to women's health.† Supplementation is an effective way to ensure you get the daily recommended amounts of each.†

## CytoActives

- WHAT** CytoActives™ is a combination of vitamin D, coenzyme Q10 (CoQ10), tocotrienols, and resveratrol to support youthful energy, cell function, and overall health.†
- WHY** Over time, we gradually lose our ability to fully synthesize some nutrients that help restore our body's vital systems.
- HOW** CytoActives works to protect your body by using the latest bioactive ingredients to help support healthy aging and maintain physiological reserves and functions.†

## IsaOmega

- WHAT** IsaOmega™ contains pure omega-3 essential fatty acids to support heart, brain, and joint health.†
- WHY** Our formula combines one of the most concentrated sources of DHA and EPA omega-3 essential fatty acids available. These fatty acids have been found to support cell function and heart, brain, and joint health.†
- HOW** The fish oil is sourced from sustainable suppliers and goes through a molecular distilling process that creates a highly concentrated and pure oil.

## IsaGenesis

- WHAT** IsaGenesis® is a supplement designed to deliver telomere and antioxidant support.†
- WHY** Our DNA is protected by telomeres. As we age, our telomeres can shorten faster than they should if we don't take steps to protect them. Factors such as oxidative stress, an unhealthy diet, and lifestyle choices can contribute to the acceleration of telomere shortening, which can lead to more rapid aging.
- HOW** IsaGenesis supports youthful cell function and healthy telomeres, and helps neutralize free radicals that can accelerate the aging process.†

## Complete Essentials

- WHAT** Complete Essentials™ Daily Pack is a foundational product consisting of a complete spectrum of supplements, including vitamins, minerals, antioxidants, omega-3s, and additional vital nutrients for ultimate health and well-being.†
- WHY** Most people don't get the recommended amount of nutrients each day for optimal health. Getting these nutrients is key to sustaining better health, long term.†
- HOW** Each collection of dietary supplements in Complete Essentials™ Daily Pack is scientifically formulated to deliver the daily nutrients men and women need. Complete Essentials is separated into two packs – A.M. and P.M. – for effective dosing.†

## FiberPro

- WHAT** FiberPro™ is a dissolvable powder to support regularity and intestinal health.†
- WHY** Gut health is critical to overall well-being. Fiber and probiotics help balance intestinal flora and encourages regularity.†
- HOW** Fiber from five different plant sources support satiety while moving food through your digestive system naturally.†

## Isamune With Zinc

- WHAT** Isamune® With Zinc is a fast-absorbing oral spray to help support your immune system.†
- WHY** Zinc is an effective nutrient to help support your immune system year-round.†
- HOW** Isamune With Zinc quickly delivers zinc, colostrum, echinacea, reishi mushroom, bilberry, and blueberry to your body for better immune system support.†

# INGREDIENT POLICY:

Nutritious, Safe, Transformative

## ISAGENIX **NO-COMPROMISE** INGREDIENT STANDARDS

No matter how much we grow, our commitment to the quality of our products and ingredients is one thing that will never change. Our highest priority is your health.

### **NUTRITIOUS**

Isagenix stands for great health. We provide high-quality ingredients in dosages backed by science. We take an evidence-based approach to make sure every ingredient we use is pure, potent, and health promoting. We also focus on sourcing ingredients from suppliers that value sustainability. It is a standard that is healthy for you, for us, and for the planet.

### **SAFE**

We never compromise on safety. In addition to plenty of caution and care exercised by our formulators and researchers, we are proud to say that our quality control processes are second to none. Every time you reach for an Isagenix product, you can be confident that you're reaching for a safe product that has been thoroughly tested by third-party laboratories for a variety of heavy metals, pesticides, and microbial activity.

### **TRANSFORMATIVE**

Isagenix exists to transform lives. We are changing lives around the world by formulating products that work and work well. To create products that make a real difference in your health and vitality, we stay on the cutting edge of nutritional science and constantly work to get the most out of nature's fine ingredients.

"Isagenix has built a reputation on exceeding all standards commonly used in the nutraceutical industry, and this vision of creating a no-compromise company places Isagenix in a category all its own."

### Drug Facts

Active Ingredients	Purpose
Titanium dioxide 1%.....	Sunscreen
Zinc oxide 6.5%.....	Sunscreen

#### Uses

- Helps prevent sunburn

#### Warnings

**Do not use** on damaged or broken skin

**When using this product** keep out of eyes. Rinse with water to remove.

**Stop use and ask a doctor** if rash occurs

#### Directions

- For sunscreen use;
- Apply liberally 15 minutes before sun exposure.
- Sun Protection Measures.  
Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including: limit time in the sun, especially from 10 a.m. - 2 p.m. Wear long-sleeved shirts, pants, hats and sunglasses.
- Children under 6 months of age: Ask a doctor
- Reapply at least every 2 hours.
- Use a water resistant sunscreen if swimming or sweating.

#### Other Information

- Protect the product in this container from excessive heat and direct sun
